## FALL 2020 EDITION

### **LETTER FROM THE PRESIDENT**

MIKE ANZALONE

I would like to start this delayed fall (now winter) letter by wishing everyone a wonderful Holiday season filled with joy and happiness and surrounded by loved ones and family. I hope summer, fall and Thanksgiving were good to you all and filled with fun, family adventures, and memories.

With the challenges in our country these past 9 months, we unfortunately will need to make some adjustments to our upcoming UGWA functions, activities, and plans. First, our annual convention in Mesquite, Nevada will have to be cancelled because of COVID restrictions. We just can't see planning this exciting and fun activity if there are so many limitations and restrictions that would be imposed upon us. This being said with this next year cancelled, we will plan to make the following year's events epic and fun.

With no Mesquite Convention this year to raise money, we will gladly accept any donations towards the scholarship and crisis funds. Please contact our secretary, Collette, if you are interested and able to make a donation. Any amount would be greatly appreciated.

As of right now, the Mountain States Convention in Laughlin, Nevada the beginning of February, is still going forward. I encourage everyone that would like to attend to do so. Attendance directly affects how much money we will receive for our association. There is also a golf

#### **INSIDE THIS ISSUE:**

## LETTER FROM THE PRESIDENT MIKE ANZALONE

*(Continued from page 1)*

tournament currently still scheduled at this convention. More details to come on this Laughlin event and golf tournament on the Mountains States website.

Looking ahead, we hope that by the time our annual Moab trip comes around we will be able to attend with no restrictions and enjoy this traditional outing as usual. With this being six months away, hopefully there is a good chance we can make it happen. By this time we will all be ready for some well needed fun, socializing and catching up with industry friends.

Another big change right now is in the way we need to elect our UGWA officers. We will not be able to meet in person in January to elect new officers. Everyone has graciously agreed to stay in their current position for the next year. We welcome your emails or any type of communication regarding UGWA and matters that need to be addressed.

This sure has been one heck of a year so far. 2020 is really going to be one that will go down in the record books for extreme highs and lows, many would say mostly lows. I have faith our country will survive, prosper, and be better and stronger in the future. I feel we can all do our part to ensure this happens. Work hard, appreciate your families, and believe in our country and industry. We have been fortunate that our business is something that is essential and valued in our communities, state, country, as well as the world. We are doing our part, even in a small way.

Sincerely,  
Michael Anzalone  
UGWA President

## Need Continuing Education Credits?

If you need continuing education (CE) credits to maintain your driller/pump installer license and are not sure what to do since the Mesquite 2021 UGWA convention has been cancelled, there are numerous other opportunities to get CE credits. Due to the pandemic, Jim Goddard and the Utah Division of Water Rights (DWRi) are more flexible in accepting applicable online training for CE credits. The DWRi has numerous training videos that are accessible from their website ([www.waterrights.utah.gov](http://www.waterrights.utah.gov)), the direct link to the videos on their You Tube channel is here: ([www.youtube.com/channel/UCLhX3rovw8Do\\_oU-AIybtWA](https://www.youtube.com/channel/UCLhX3rovw8Do_oU-AIybtWA)). The link will also be placed on the UGWA website ([www.utahgroundwater.org](http://www.utahgroundwater.org)). If these videos don't interest you, there are other online trainings that are approved by the DWRi. You can contact Jim Goddard directly for help and any questions you may have.

## Membership Types

- A. **CONTRACTOR:** Any person doing business and licensed to drill, either water wells or ground water monitoring.
- B. **PUMP INSTALLER:** Any person doing business and licensed to install ground-water pumping equipment.
- C. **MANUFACTURER:** Any person engaged in the manufacturing of equipment, or materials used in the ground water industry.
- D. **SUPPLIER:** Any person engaged in the sale of equipment or supplies associated with the ground water industry.
- E. **TECHNICAL:** Any hydrologist, geologist, or engineer involved in teaching, research, consulting and or government services associated with the ground water industry.
- F. **ASSOCIATE:** Any person engaged in the support of the UGWA who does not accurately fit in any of the above.

This membership allows the joining of one individual to benefit from all the privileges of membership in the Utah Ground Water Association. Annual membership dues are \$60.00 per year. These dues cover membership only in the Utah Ground Water Association. The Utah Ground Water Association is affiliated with the National Ground Water Association and the Mountain States Ground Water Association. **All memberships are annual and run July 1st thru June 30th. Memberships purchased mid-year will have the 2nd year prorated to bring them compliant with this format.**
